

IV Infusions at Cloud Twelve

Infusions are delivered by The IV Boost clinic, which is a medical clinic in Wimpole Street, London, founded by Dr. Joshua Berkowitz in 2005 and renowned for its IV therapies and highly trained nurses.

MYERS COCKTAIL

One treatment - £250 | Course of 3 - £675 | Course of 5 - £1000

The original multinutrient IV therapy devised by renowned physician John Myers, this powerful infusion contains B vitamins, magnesium, calcium and vitamin C to give the ultimate health and wellbeing boost.

Best for: Fatigue • Exhaustion • Post-Operative Tiredness • Stress • Burnout

Average time: 45 – 60 minutes **Fluid:** 250ml

IMMUNITY SUPPORT

One treatment - £345 | Course of 3 - £828 | Course of 5 - £1380

Stay fighting fit to fend off colds, flu and seasonal sickness with a strengthened immune system. Packed with B vitamins and vitamin C, minerals and anti-oxidants – zinc, selenium, glutamine, arginine and cystine – to boost your immunity, this treatment will help you fight against infection.

Best for: Lowered Immunity • Tiredness • Fatigue

Average time: 45 – 60 minutes **Fluid:** 250ml

ULTIMATE DETOX

One treatment - £195 | Course of 3 - £530 | Course of 5 - £780

The ultimate kick-start to a detox or weight loss programme, this treatment will help cleanse your body from the inside out whilst delivering restorative nutrients of glutamine, ornithine and methionine to boost liver function and lift your energy levels, helping you exercise effectively.

Best for: Toxic Overload • Low Energy • Kick-Starting Weight Loss

Average time: 45 – 60 minutes **Fluid:** 250ml

ENERGY BOOST

One treatment - £345 | Course of 3 - £828 | Course of 5 - £1380

Inject more energy into your body and restore vitality after illness or a stressful, tiring time with this cocktail of vitamins and amino acids including B vitamins, taurine, tyrosine and lysine. Also ideal to boost your energy ahead of an upcoming event, this infusion contains magnesium, helping to reduce fatigue, anxiety, and irritability, which are common symptoms of magnesium deficiency.

Best for: Low Energy • Jet Lag • Toxic Overload • Low Mood • Poor Concentration

Average time: 45 – 60 minutes **Fluid:** 250ml

CHILL OUT AND RELAX

One treatment - £345 | Course of 3 - £828 | Course of 5 - £1380

When you need to rest and recharge, this treatment combines vitamins and minerals with high doses of B vitamins, magnesium and amino acids – glutamine, carnitine and ornithine – to boost cognitive function, reduce stress and restore mental balance.

Best for: Stress • Racing Mind • Tiredness • Fatigue

Average time: 45 – 60 minutes **Fluid:** 250ml

ANTI-AGEING BOOST

One treatment - £345 | Course of 3 - £828 | Course of 5 - £1380

Tackle the signs of ageing and restore your glow. This powerful combination of antioxidants including selenium, zinc, cystine, arginine and carnitine is delivered straight to your cells to fight free radicals, boost collagen and elastin, restoring your skin's plumpness and structure.

Best for: Signs of Ageing • Oxidative Stress • Loss of Skin Tone • Dull Complexion

Average time: 45 – 60 minutes **Fluid:** 250ml

OPTIMUM PERFORMANCE

One treatment - £195 | Course of 3 - £530 | Course of 5 - £780

Whether you're a weekend warrior, a competitive athlete or training for a race, pushing your body will take its toll and can lower your immunity. With a trio of key energy-boosting amino acids, this treatment will support your training, boost performance and speed up recovery. Delivered directly to your cells, it acts fast.

Best for: Compromised Immune system • Pre-Event Tiredness • Post-Event Fatigue

Average time: 45 – 60 minutes **Fluid:** 250ml

VITAMIN C BOOSTER

One treatment - £150 | Course of 3 - £420 | Course of 5 - £600

This powerful vitamin promotes growth, development and repair of your body's tissues. Not naturally made by the body, it is needed to form collagen, absorb iron, boost the immune system and maintain healthy cartilage, skin, bones and teeth.

Best for: Compromised Immune system • Pre-Event Tiredness • Post-Event Fatigue

Average time: 45 – 60 minutes **Fluid:** 250ml

GLUTATHIONE 3G (INCLUDES VITAMIN C)

One treatment - £180 | Course of 3 - £495 | Course of 5 - £720

Glutathione is one of nature's most powerful antioxidants, reversing the damage that is caused by oxidative stress which builds up in the body as a result of the ageing process and environmental pollution. Delivered straight to your cells, it can help brighten and rejuvenate your skin from within.

Best for: Oxidative Stress • Cellular Damage • Weakened Immune System • Toxic Overload • Signs of Ageing

Average time: 30 – 45 minutes

Fluid: 100ml Glutathione, 100ml Vitamin C

CURCUMIN INFLAMMATION FIGHTER

One treatment - £250 | Course of 3 - £675 | Course of 5 - £1000

Powered by curcumin, the main active ingredient in turmeric, this treatment has potent anti-inflammatory and anti-oxidant effects. Curcumin is also an effective immunity booster, as well as helping to ease skin conditions such as acne, rosacea, psoriasis and eczema and reduce flare-ups in autoimmune diseases like Crohn's and Rheumatoid Arthritis. And, no, it won't turn your skin yellow!

Best for: Inflammation • Red & Irritated skin • Autoimmune Disease Flare-Ups • Leaky Gut and IBS • Crohn's Disease • Rheumatoid Arthritis

Average time: 30 minutes

Fluid: 100ml

Add on Glutathione

Glutathione 1.2 gram £100 **Average time:** 20 minutes **Fluid:** 100ml

BOOSTER SHOTS

Vitamin B12 **£50**

Vitamin B Complex **£50**

Vitamin D **£50**
